

Dear Parents

Ski Trip - 17-25 February 2017

We are delighted to announce that there will be a ski trip to Verbier in Switzerland in February 2017. Over the years DBGS has organised several very successful ski trips and students always get a great deal out of them.

We have chosen to partner with Les Elfes, a well established school ski trip provider. They have high quality accommodation in one of Europe's top mountain resorts. They are able to provide good instruction, an apre ski programme, excellent food and great access to a variety of slopes suitable for beginners and experts. One of the things we have particularly enjoyed in Verbier is the ability to take lunches high on the mountain or on the slopes. This means that we can spend more time on the snow learning how to ski. It is also less tiring than at other resorts where you have to return to the hotel to eat midday.

This trip is open to all students who are currently in years 7, 8, 9 and 10. We have tried hard to keep the costs to a minimum and feel that we have put together an excellent package. The cost of the trip is SR10,500, this is liable to some change due to fluctuating exchange rates. The cost includes airport transfers, airfares, all accommodation and food, instruction, chaperones, insurance, ski hire, equipment hire and apre ski programme. The only additional costs will be soft drinks and spending money (I would suggest between SR200 and SR500), although students will not really need to spend anything.

More details about the resort and Les Elfes can be found at their website:

<http://leselfes.com/school-trips/ski-trips/>

Please note that no mobile telephones or internet connected devices will be allowed on this trip. Students wanting to take photographs must use cameras not telephones. There is an internet room at the challet, along with telephones. If you feel that your son or daughter is unable to comply with this requirement, please do not apply.

We realise that paying for school trips represents a financial burden and so try to spread payments out over a number of installments. This has been designed to allow us to meet the financial commitments necessary to secure the booking, and to make life easy for you.

If you would like your child to participate on this trip, please complete the application form attached and return it to me as soon as possible, along with a deposit of SR1000. Please note that the deposit will only be refunded if your child cannot be offered a place. We hope to take 30 students on this trip. Places will be allocated on a first come first served basis.

Yours sincerely

Kevin Monaghan
