(I)GCSE Results and Certificate Release

Dear Students and Parents,

Examination results will be available online from 05:00 (GMT) on 11th August for CIE exams through <https://myresults.cie.org.uk/cie-candidate-results/login> and on 25th August for Edexcel exams through <https://www.resultsplusdirect.co.uk/ResultsPlus/Default.aspx>. Once all textbooks have been returned and invoices settled, students will be given their login and password for each of the sites.

Login details and results will only be released if all textbooks are returned & outstanding invoices paid.

Sometimes students feel that they have been awarded a grade lower than they deserved. If their score is within one or two marks of a grade boundary, it is worth asking for a paper to be remarked. This service is available from the examination board through our examination officer. If you wish to have a paper remarked, please contact aliho.h.02@isg.edu.sa by mid-September. Please be aware that there is a substantial cost per paper remarked, and that there are no guarantees that a grade will be changed.

Examination Certificates arrive in school around mid-November and need to be collected by the student, parents or a nominated adult. Alternatively, certificates can be sent by courier at a cost of **SR180**.

In order to ensure the receipt of results and certificates promptly, please complete the questionnaire following the link by Monday 25/4/2016 <http://goo.gl/forms/Y1XXhwFVsi>

Yours sincerely,
Hayfa Homsy
