Dear student and parents

Our AS/A level programme has been a tremendous success. The A Level programme provides an excellent route into university for students and we hope the majority of our Year 11 students will continue into the Sixth Form to complete their schooling at DBGS. Year 11 students are encouraged to discuss their subject choices with teachers so as to select courses that play to their academic strengths.

There is an excellent choice of subjects on offer for 2017/18. They are listed below. We will also be offering the Cambridge Advanced International Certificate of Education (AICE). More details are available on the school website.

Art** Arabic* Biology Business Studies Chemistry Computer Science Drama** (2-year course) Economics English Language	English Literature French* Geography Global Perspectives and Research History Mathematics Physical Education** Physics Psychology
---	--

***Arabic and French require high proficiency in the language**

**** Art, Drama and Physical Education deadline for requesting course choice is May 1st. Please note a minimum of 3 students are required for these courses to run.**

Students will choose 4 subjects at AS Level to study in Year 12.

To secure your place on the A Level programme we are asking for a deposit. This will be refunded in cash once you (or your company) have paid the school fees in full. Students are welcome to discuss their subject choices with staff at any time. When you have completed the application form, please return it to our admissions officer, Catherine Livingstone, with a deposit of SR2000 to be paid to the school accountant, Lisa Watson.

Yours sincerely

Nick Hardcastle
Headteacher, Senior School
