22 January 2017

Dear student and parents

Our AS/A level programme has been a tremendous success. The A Level programme provides an excellent route into university for students.

There is a wide choice of subjects on offer for 2017/18. They are listed below. We also offer the Cambridge Advanced International Certificate of Education (AICE). More details are available on the school website.

Art Arabic* Biology Business Studies Chemistry Computer Science Drama (2-year course) Economics English Language	English Literature French* Geography Global Perspectives and Research History Mathematics Physics Psychology
---	---

***Arabic and French require high proficiency in the language**

Students need to choose 4 subjects at AS Level to study in Year 12. Please select your 4 preferred subjects. We will use this information to gauge interest in subjects.

Note that on acceptance of a seat offer at DBGS you will be required to pay a deposit of 2000SAR. This will secure your place on the A Level programme. The deposit will be refunded in cash once you (or your company) have paid the school fees in full.

Yours sincerely

Nick Hardcastle
Headteacher, Senior School

Please complete this form and submit it along with your ISG application form.

Name of Student: _____

DBGS will contact the student's current school to request a confidential report.

Name of Current School: _____

Name of Contact at School: _____

Email address of contact for reference: _____

I give permission for DBGS to contact my child's current school to request a reference:

Parent's Signature: _____
